

We at Formbend Ltd recognise our duties under the Health and Safety act 1974 and the accompanying protective legislation. We will endeavour to meet our requirements of this legislation so as to ensure that we maintain a safe and healthy working environment. Our Managers and Supervisory staff are informed of their responsibilities to ensure that they take all reasonable precautions to ensure safety health and welfare of those that are affected by our undertaking.

Formbend Ltd recognise so far as is reasonably practicable the duty to ensure the following;

- **To provide and maintain a safe place of work, safe systems of work, safe equipment and a health and safe working environment.**
- **To ensure that hazards are identified and regular assessments of risk are undertaken.**
- **To provide information, instruction and training as is necessary to ensure employees and others are assured of a safe and healthy working environment.**
- **Promoting the awareness of health and safety and encouraging health and safety best practice throughout our organisation.**
- **To ensure we are taking the appropriate and preventative measures.**
- **To ensure that we have access to competent advice and are able to secure compliance with our statutory duties**
- **In order that we can achieve our objectives and to ensure our employees recognise their duties under the Health and Safety legislation whilst at work, we must ensure that we inform them of their duties to take reasonable care of themselves and others that may be affected by their activities. We ensure our employees are informed of the obligation to ensure they cooperate with management and adhere with Formbend Ltd safety rules, which are provided with our employee Safety Handbook.**
